

# H Series HA-4008A

## 8 Band Handheld High Power 3G、4G with Wi-Fi、5G、Jammer

NEW Next Generation digital cell phone jammer top of the range; a mobile device to help circumvent disturbances or noise from cellular phone calls - the latest high-power hand-held cell phone and Wi-Fi jammer with an internal, high-capacity battery, universally compatible with new (LTE, Wi-Max) 4G / 3G / 2G / Wi-Fi / 5G/GPS networks. Selectable dip switches on the side for choice of jamming bands or save battery power.

### Specifications

HA-4008-E (Europe) 2G/3G/4G/5G	HA-4008-A (America) 2G/3G/4G/5G	HA-4008 Drone Drone GPS
920-965MHz: 10W GSM900	850-895MHz: 10W CMDA	WiFi 2400-2500MHz: 8W WiFi 11.b & g
1800-1920MHz: 10W DCS	1800-1990MHz: 10W DCS, PCS	WiFi 2400-2500MHz: 8W WiFi 11.b & g
2100-2170MHz: 10W 3G, UMTS	2100-2170MHz: 10W 3G, UMTS	1560-1620MHz: 10W GPS L1 + Glonass L1
2400-2690MHz: 8W WFi 2.4GHz + 4G LTE H	2350-2700MHz: 8W WFi 2.4GHz + 4G LTE H	5.7-.5.9GHz 4W WiFi 11.a
758-825MHz: 8W 4G LTE Low	720-805MHz: 8W 4G LTE Low	1220-1280MHz: 10W GPS L2 + Glonass L2
3400-3800MHz: 8W 5G	617-652MHz: 10W 5G	5.7-.5.9GHz 4W WiFi 11.a
1450-1620MHz: 10W 5G LTE + GPS L1 + Glonass L1	1560-1620MHz: 10W GPS L1 + Glonass L1	433MHz: 5W Car Remote
164MHz :5W Lojack	173MHz :5W Lojack	860-920MHz: 10W Car Remote
<b>Total: 69 W</b>	<b>Total: 71 W</b>	<b>Total: 59 W</b>

Options: GPS L2: 10W, GPS L3+ L4:8W, GPS L5: 8W

All Frequency can mix very flexible; each module/Band is independent.

Using Omni directional dipole antenna, gain value 2 ~ 3dBi.

- Each band can operate independently with DIP switch ON / OFF.
- Band power output per LED indicator °
- Battery: Lithium battery can support 50 min of continuous working.
- Good heat dissipation, lower then 40°C when continuous operating.
- Built-in battery charger, you can charge while using support.
- Cover range: 20 ~ 50 M radius around the signal strength required for -80dBm based.
- Input voltage: AC 110-240V / 50-60Hz or DC 12.
- Support car charger.
- Weight: about 3 kgs.
- Size: 210 \* 140 \* 90 mm.
- Warranty time: One year.

Car charger  
DC12V to DC28V cable
